

Table Reservations / Drop-in Guests

We are trialling a **table BOOKINGS** system with fixed time slots for eat-ins, with a polite request all guests vacate their table by the end of their allocated time slot

Our trial booking system will be reviewed after a week or two and adjustments made as necessary. We will ask for and welcome any comments and suggestions. Thank you !

Reservations may be made by telephone, person to person, (or at the door)
Please call 01865-246916 to make a booking for 2, 3, 4 or 5 guests

Please call from 11am ~ 4pm (except Mon and Tues) to book up to two weeks in advance

Bookings for **single guests**, or for **groups of 6 or more** will sadly not be possible
We are very sorry to have to introduce this restriction. Our seating capacity has become very limited, and guests from different “groups” can no longer share the same table

If you **drop-in** to Edamame (without a reservation) it will often be possible to find a table for you, so please ask the staff. We would recommend however that you book in advance !

Please arrive a few minutes before the start of your booking. **Your timely arrival at the start of your reserved time slot will be crucial** for the smooth running of our system

Consequently tables reserved for guests who arrive 10 or more mins late may instead be given to someone else. In such cases the “late show” guests will be offered another time slot if available. or takeaways can be prepared for them if so desired

Takeouts may be ordered by telephone 01865-246916, person to person, (or at the door) and can be collected at pre-arranged pick up times.
We will bring your orders outside and (card) payments can be made at the door
