

**We are VERY happy to tell you :**

**Sushi nights will resume on Thurs June 10th,  
for drop-ins only (no bookings)**

**You may also place a sushi takeaway order by telephone  
by referring to the on-line menu and reserving a collection time**

**To avoid having to wait long at the door for your takeaway  
we strongly suggest you call ahead with your order  
to reserve a convenient collection time**

**We hope to see you here for our first "sushi night" of 2021 !**
